Ready to catch the big wave? To ride down a water slide more than six stories tall?

We are heading up north to **Great Wolf Lodge water resort** in Grand Mound, Washington (near Olympia) for our winter retreat.

★ *We'll leave Sunday morning @ 9am and arrive back by 7pm Monday evening.*

For two days we'll be actively enjoying the awesome facilities at this water resort, which includes 6 indoor water slides, a wave pool and the "howling tornado" for thrill seekers. Arcade games, a youth spa, and plenty more to see and do are found in the safe and family-friendly 8-story resort.

★ check it out at greatwolf.com

★ videos posted also at willametestudents.com/ms/

In the midst of much laughing, swimming and sliding, we'll pause for reflection in God's Word, and a message each day on "Diving into the Deep End." We'll focus on who God is, and what the good news (the Gospel) of God's Son Jesus means for all us.

(Oh yeah, he loves to swim and dive and does a mean cannonball.)
